Dear Bob,

We would like to take this opportunity to thank you for all of the repairs you have done to our houses. This last project was above and beyond all hope. We can now say that our house is leak free and we don't worry about sliding down the hill. Under your direction with the subcontractors we are completely comfortable in our house. Your integrity & honesty, timeliness in getting the work done was wonderful. We knew what the costs would be, when the work would be completed and the subs you chose also shared your sense of integrity and honesty. We will recommend you and your family for any future projects. Your prospective clients may call us directly with any questions.

Thank you,

P. & D. H.
